## **CLASS ACTION SETTLEMENT AGREEMENT AND RELEASE**

The Parties enter into the following Class Action Settlement Agreement and Release (“Agreement” or “Settlement Agreement”). This Settlement Agreement is entered into by and among Jeffrey Olszowka, the named Plaintiff in this class action, in his individual capacity and on behalf of the class described in this Agreement, and the Village of Chicago Ridge, the named Defendant in this action, who collectively shall be the “Settling Parties,” as more fully defined below. This Settlement Agreement is intended by the Settling Parties to fully, finally and forever resolve, discharge and settle on behalf of the entire class the Released Claims, as defined herein, upon and subject to the terms and conditions herein.

## RECITALS

WHEREAS, the Complaint alleges that the Defendant charged \$15 for police reports in violation of 625 ILCS 5/11-416; and

WHEREAS, the Complaint seeks money damages, attorneys' fees and other relief; and

WHEREAS, the Defendant has denied and continues to deny each and all of the claims and contentions alleged in the Complaint; and

WHEREAS, the Settling Parties have concluded that it is desirable for the Class Action to be settled to avoid further inconvenience, delay, and expense and to dispose of potentially burdensome and protracted litigation and to put to rest all claims that have been or might be asserted by the Class Members arising out of or related to the subject matter of the Complaint; and

WHEREAS, the Settling Parties have engaged in arms-length settlement negotiations, and have determined that the terms of this Settlement Agreement constitute a fair and reasonable compromise of the claims and defenses of all Settling Parties; and

WHEREAS, Class Counsel believe that the claims asserted by the Complaint are meritorious. Class Counsel also recognize, however, that this suit may have an uncertain outcome and that pursuing this litigation through trial would involve substantial cost, risk and inevitable delay. Based on their evaluation of the facts and law, and a weighing of the risks and benefits, which include, among other things, whether the facts support the claims raised in the Complaint, the expense and length of continued proceedings necessary to prosecute the Action against the Defendant through trial and any appeals, and the substantial benefits the Settlement confers upon the Class, Class Counsel have determined that the settlement set forth in this Settlement Agreement is fair, reasonable, adequate, and in the best interests of the Class; and

WHEREAS, the Class Representative, through Class Counsel, which has conducted an investigation into the relevant facts and circumstances, engaged in arms' length negotiations with Defendant's Counsel, has concluded that it is in the best interests of the Class to settle the Class Members' Claims on the terms set forth herein, which are deemed to be fair, reasonable, and adequate; and

WHEREAS, in consideration of the foregoing and other good and valuable consideration, it is stipulated and agreed by and between Class Counsel and Defendant's Counsel that the claims of the Class be and are hereby compromised and settled, subject to the approval of the Court, upon the following terms and conditions.

In addition, and apart from the maximum amount of \$14,000 available in total for all claims submitted, \$1,000 will be paid to the Class Representative for his role in this litigation. The \$14,000 shall be divided on a *pro rata* basis among those Class Members who return a fully-executed, complete, timely, and truthful Claim Form, postmarked no later than 45 days after the Notice Date, indicating a desire to receive a share of the fund. Each Class Member shall be eligible to receive no more than \$10 per accident report requested, which is the full amount of the overcharge alleged in Plaintiff's complaint. However, Class Members may receive up to \$10 for each accident report they requested. For example, if a Class Member requested 5 separate accident reports and paid more than \$5 for each of those 5 reports, that Class Member could submit claims for the 5 separate accident reports and receive up to \$10 per accident report. In such a case, that Class Member would receive up to \$50. The Claim Form will allow each Class Member to submit claims for all qualifying accident reports requested by that Class Member on one Claim Form. If payment for all claims submitted by Class Members, with each claim being paid a maximum of \$10, does not equal or exceed \$14,000, Defendant shall be required to pay only the amounts for submitted claims, and any difference between the claimed amounts and \$14,000 shall be retained by Defendant. A Claim Form must be mailed to each Settlement Class Member to whom Notice is mailed. Any person who timely and effectively requests exclusion from the Settlement shall not be entitled to submit a Claim Form or receive any portion of the Settlement Class Consideration. If Class Members who opt-out of the class constitute more than 200 of the identified 2,675 potential claims from 2002-07 then each party has the option to void this Settlement Agreement. The option to void the Settlement Agreement must be made in writing no later than 21 days after the opt-out date. Defendant must pay the costs for sending notice and distributing settlement checks to Class Members. Settlement checks to the Class Members shall

checks to the Class Members shall expire 90 days from the date that they are issued.

Other Relief: In addition to the Monetary Relief available to the Class Members, Defendant agrees, on a going-forward basis, that it will comply with the provisions of 625 ILCS 5/11-416 and charge only the fee permitted by statute.

31. Attorneys' Fees, Notice Costs and Related Matters. In addition to the benefits described above, Defendant shall pay, subject to Court approval, to Class Counsel the sum of \$15,000 in full satisfaction of all reasonable attorneys' fees and costs. This payment is based upon arms-length negotiations between the parties based upon Class Counsel's fees at their fair and reasonable hourly rates and for time expended and is not taken from any award to the class or class representative.

32. Class Notice. Defendant shall send the Notice at the time provided in paragraph 37a, and distribute the Settlement Checks, including the check for Class Counsel's fees and the check to the Class Representative, within 14 days after entry of the Final Judgment Order.

33. Class Members' Right of Exclusion. Any Class Member so excluded shall not be bound by the terms of this Settlement Agreement nor entitled to any of its benefits.

34. The Settling Parties agree that the Settlement Amount is sufficient to satisfy each Settling Party's obligation to every other Settling Party with regard to all Released Claims.

Defendant also agrees to release and forever discharge Plaintiff and his attorneys of and from all causes of action, suits, claims and demands whatsoever, at law or in equity, whether now known or unknown, suspected or unsuspected, existing, claimed to exist or which can ever hereinafter exist, arising from the investigation, filing or prosecution of the cause of action styled, *Olszowka v. Village of Chicago Ridge*, Case No. 07 C 6115, pending in the United States District Court for the Northern District of Illinois. Village of Chicago Ridge*, Case No. 07 C 6115, pending in the United States District Court for the Northern District of Illinois.

The manner in which a notice of objection should be prepared, filed, and delivered shall be stated in detail in the Notice. **FIRST AMENDED CLASS ACTION COMPLAINT**

This case is brought to seek redress for the Village of Chicago Ridge Police Department's practice of overcharging Plaintiff and the class members for copies of accident reports in violation of Illinois law. 625 ILL. COMP. STAT. 5/11-416.

Under Illinois law, though each department of state police may charge a fee for providing copies of accident reports, the fee for such report is capped at \$5.00, unless the accident that is the subject of the report was investigated by an accident reconstruction offer, in which case the department may charge \$20.00. Using its position of power and the an individual's necessity of obtaining copies of his or her accident reports, Defendant imposed unreasonable and excessive fees to copy these necessary accident reports in violation of Illinois law. Plaintiff now seeks monetary and injunctive relief on behalf of himself and a class of similarly situated individuals for Defendant's wrongful conduct.

***Jurisdiction and Venue***

1. Federal question jurisdiction existed as to Plaintiff's claim under 42 U.S.C. § 1983. Supplemental jurisdiction over the state law claims existed under 28 U.S.C. §1367(a).

2. Venue is proper in this district pursuant to 28 U.S.C. §1391(b), as the acts and transactions that gave rise to this action occurred, in substantial part, in this district. Venue was also proper in this district since Defendant can be found, has agents, and transacts business in this district.

*Parties*

3. Plaintiff Jeffrey Olszowka is a resident of the State of Illinois who resides within this district.

4. Defendant, the Village of Chicago Ridge is a body politic duly organized under the laws of the State of Illinois.

5. At all times material to this Complaint, Village of Chicago Ridge Police Department, and the agents and employees thereof, were acting under color of state law, ordinance, and/or regulation.

*Factual Allegations*

6. In October 2006, Plaintiff Jeffrey Olszowka, through his attorney, requested a copy of an accident report from the Village of Chicago Ridge Police Department. Plaintiff required the accident report for use in his personal injury lawsuit. In making such request, Plaintiff, through his attorney, sent the Village of Chicago Ridge Police Department a check for \$5.00.

7. On November 7, 2006, the Village of Chicago Ridge returned the \$5.00 check to Plaintiff and informed him that in order to obtain the necessary report, he would have to pay the Village of Chicago Ridge \$15.00, three times the legal amount. See Exhibit A. This letter, which was signed by Kae F. Kosch on behalf of the Village of Chicago Ridge, was written on Village of Chicago Ridge stationary, which has letterhead naming the President of the Village of Chicago Ridge, the Village Clerk/Collector of the Village of Chicago Ridge, and the six Trustees of the Village of Chicago Ridge.

8. Because Plaintiff needed the copy of the report in order to vindicate his rights in court, he paid the Village of Chicago Ridge Police Department the \$15.00 fee. *See Exhibit B.*

#### COUNT I

*Violation of 42 U.S.C. § 1983, brought by Plaintiff Jeffrey Olszowka, individually and on behalf of Class A, against Defendant, the Village of Chicago Ridge*

9. Plaintiff hereby restates, realleges, and incorporates herein by reference paragraphs 1-8 as if set forth fully in this Count.

10. Plaintiff brings this claim on behalf Class A, consisting of all persons residing in Illinois who, within two years of the filing of Plaintiff's complaint: (a) requested a copy of an accident report from the Village of Chicago Ridge Police Department; and (b) were charged an amount in excess of the statutory prescribed limit as stated in 625 ILL. COMP. STAT. 5/11-416

11. There are questions of law and fact common to the class that predominate over any individual questions affecting only individual members. These common questions include, among others:

- a. Whether Defendant charged individuals for accident reports in an amount greater than those permitted by 625 ILL. COMP. STAT. 5/11-416;
- b. Whether Defendant thereby violated 42 U.S.C. § 1983.

12. Plaintiff's claims are typical of those of the class members. All are based on the same facts and legal theories.

13. Plaintiff will fairly and adequately protect the interests of the class. Plaintiff has retained counsel experienced in handling class actions and claims involving unlawful business practices. Neither Plaintiff nor Plaintiff's counsel have any interests that might cause them to not vigorously pursue this action.

14. A class action is an appropriate and superior method for the fair and efficient

adjudication of this controversy. Since the actual monetary damages suffered by Plaintiff and the statutory damages available to them are relatively small, the burdens of individual litigation make it effectively impossible for the class members to seek individual redress for the Defendant's violations.

15. Pursuant to 625 ILL. COMP. STAT. 5/11-416:

*Furnishing copies – Fees. The Department of State Police may furnish copies of an Illinois State Police Traffic Accident Report that has been investigated by the State Police and shall be paid a fee of \$5 for each such copy, or in the case of an accident which was investigated by an accident reconstruction officer or accident reconstruction team, a fee of \$20 shall be paid.*

*Other State law enforcement agencies or law enforcement agencies of local authorities may furnish copies of traffic accident reports prepared by such agencies and may receive a fee not to exceed \$5 for each copy or in the case of an accident which was investigated by an accident reconstruction officer or accident reconstruction team, the State or local law enforcement agency may receive a fee not to exceed \$20 . . . .*

16. In representing that such amounts were properly due and owing, and imposing and collecting fees of \$15.00 per accident report investigated by the State police, Defendant was acting under the color of Illinois State law.

17. By virtue of collecting fees for accident reports in excess of those permitted under 625 ILL. COMP. STAT. 5/11-416, Defendant acted with deliberate indifference, in its official capacity, to the constitutional rights of Jeffrey Olszowka and the class members, and the Due Process clause of the Fourteenth Amendment to the United States Constitution.

18. As a direct and proximate result of Defendant's deliberate indifference to Plaintiff and the class members' constitutional rights, Plaintiff and the class members were illegally and wrongfully deprived of their property by state actors in violation of their rights under the Equal

Protection and Due Process Clauses of the Fourteenth Amendment of the United States Constitution.

19. The deliberate indifference of the Defendant to Plaintiff and the class members' constitutional rights, constituted willful and wanton or reckless conduct so as to warrant the imposition of punitive damages to deter such conduct in the future.

WHEREFORE, Plaintiff Jeffrey Olszowka prays that judgment be entered in favor of himself and the members of Class A, on and against Defendant Village of Chicago Ridge, and award:

- A. Actual damages in an amount to be proven at trial;
- B. Punitive damages;
- C. An injunction preventing Defendant from charging for accident reports in excess of the amounts permitted by Illinois law;
- D. Attorneys fees and costs; and
- E. Any other relief this Court deems just and appropriate.

## **COUNT II**

***Violation of the Illinois Consumer Fraud and Deceptive Business Practices Act, brought by Plaintiff Jeffrey Olszowka, individually and on behalf of a class of similarly situated individuals, against Defendant the Village of Chicago Ridge***

20. Plaintiff hereby restates, realleges, and incorporates herein by reference paragraphs 1-8 as if set forth fully in this Count.

21. Plaintiff brings this claim on behalf of Class B, consisting of all persons residing in Illinois who, within three years of the filing of Plaintiff's complaint: (a) requested a copy of an accident report from the Village of Chicago Ridge; (b) were charged an amount in excess of the statutory prescribed limit as stated in 625 ILL. COMP. STAT. 5/11-416; (c) in violation of the Illinois Consumer Fraud and Deceptive Practices Act.

22. The class is so numerous that joinder is impracticable. Plaintiff alleges, on information and belief, that there are more than fifty (50) members of the class.

23. There are questions of law and fact common to the class that predominate over any questions affecting only individual class members. The predominate common questions include, among things:

- (A) Whether Defendant charged more than \$5.00 for accident reports that were investigated by the State Police;
- (B) Whether Defendant charged over \$20.00 for accident reports that were investigated by an accident reconstruction officer or accident reconstruction team; and
- (C) Whether Defendant thereby engaged in unfair and deceptive acts and practices, in violation of the Illinois Consumer Fraud and Deceptive Business Practices Act.

24. Plaintiff's claims are typical of those of the class members. All are based on the same facts and legal theories.

25. Plaintiff will fairly and adequately protect the interests of the class. Plaintiff has retained counsel experienced in handling class actions and claims involving unfair practices. Neither Plaintiff nor Plaintiff's attorneys have any interests that might cause them to not vigorously pursue this action.

26. A class action is an appropriate and superior method for the fair and efficient adjudication of this controversy. Since the actual monetary damages suffered by Plaintiff and the class members are relatively small, the burdens of individual litigation make it effectively impossible for the class members to seek individual redress for the Defendant's violations.

27. The Illinois Consumer Fraud Act, 815 ILL. COMP. STAT. 505/2, states in relevant part that:

*. . . unfair or deceptive acts or practices, including but not limited to the use or employment of any deception, fraud, false pretense, misrepresentation or the concealment, suppression or omission of any material fact, with intent that others rely upon the concealment, suppression or omission of such material fact . . . in the conduct of any trade or commerce are hereby declared unlawful . . .*

28. Illinois law mandates that Defendant may only charge \$5.00 for an accident report that has been investigated by the state police, and \$20.00 for an accident report that was investigated by an accident reconstruction officer or accident reconstruction team.

29. Defendant therefore engaged in unfair and deceptive acts and practices, in violation of the Illinois Consumer Fraud and Deceptive Business Practices Act, by charging consumers for accident reports in an amount in excess of those prescribed by 625 ILL. COMP. STAT. 5/11-416.

30. For instance, Defendant represented to Plaintiff that he was required to pay \$15.00 for an accident report that should have only cost \$5.00 under the statute.

31. In charging these amounts, Defendant represented to Plaintiff and the class members that the amounts charged for the accident reports were lawful and properly due. Such representations were false.

32. Additionally, in charging such amounts, Defendant acted unfairly, as that word is used in the Illinois Consumer Fraud and Deceptive Business Practices Act, towards Plaintiff and the class members as Defendant was not authorized to charge for accident reports in an amount in excess of those stated in 625 ILL. COMP. STAT. 5/11-416.

33. Plaintiff and the class members relied on Defendant to properly set forth and charge legal amounts for accident reports.

34. Defendant engaged in such conduct in the course of trade and commerce.

35. Plaintiff and the class members suffered damage due to Defendant's unlawful conduct in the form of money remitted for the accident reports in addition to the costs stated in 625 ILL. COMP. STAT. 5/11-416.

WHEREFORE, Plaintiff Jeffrey Olszowka prays that judgment be entered in favor of himself and the members of Class B, on and against Defendant, the Village of Chicago Ridge, and award:

- A. Actual damages in an amount to be proven at trial;
- B. Punitive damages;
- C. An injunction preventing Defendant from charging for accident reports in excess of the amounts permitted by Illinois law;
- D. Attorneys fees and costs; and
- E. Any other relief this Court deems just and appropriate.

### **COUNT III**

***Unjust Enrichment, brought by Plaintiff Jeffrey Olszowka, individually and on behalf of a class of similarly situated individuals, against Defendant, the Village of Chicago Ridge***

36. Plaintiff hereby restates, realleges, and incorporates herein by reference paragraphs 1-8 as if set forth fully in this Count.

37. Plaintiff brings this claim on behalf of Class C, consisting of all persons residing in Illinois who, within five years of the filing of Plaintiff's complaint: (a) requested a copy of an accident report from the Village of Chicago Ridge; (b) were charged an amount in excess of the statutory prescribed limit as stated in 625 ILL. COMP. STAT. 5/11-416.

38. The class is so numerous that joinder is impracticable. Plaintiff alleges, on information and belief, that there are more than fifty (50) members of the class.

39. There are questions of law and fact common to the class that predominate over any questions affecting only individual class members. The predominate common questions include, among other things:

- (A) Whether Defendant charged more than \$5.00 for accident reports that were investigated by the State Police;
- (B) Whether Defendant charged over \$20.00 for accident reports that were investigated by an accident reconstruction officer or accident reconstruction team; and
- (C) Whether Defendant was thereby unjustly enriched.

40. Plaintiff's claims are typical of those of the class members. All are based on the same facts and legal theories.

41. Plaintiff will fairly and adequately protect the interests of the class. Plaintiff has retained counsel experienced in handling class actions and claims involving unfair practices. Neither Plaintiff nor Plaintiff's attorneys have any interests that might cause them to not vigorously pursue this action.

42. A class action is an appropriate and superior method for the fair and efficient adjudication of this controversy. Since the actual monetary damages suffered by Plaintiff and the class members are relatively small, the burdens of individual litigation make it effectively impossible for the class members to seek individual redress for the Defendant's violations.

43. A party is unjustly enriched when it retains a benefit to the detriment of another party against fundamental principals of justice, equity, and good conscience.

44. Defendant represented that Plaintiff and the class members were required to pay over \$5.00 for accident reports that were investigated by State police. Defendant in fact collected amounts in excess of \$5.00 for accident reports that were investigated by State police. However,

Defendant was prohibited from charging and collecting more than \$5.00 for accident reports pursuant to 625 ILL. COMP. STAT. 5/11-416.

45. Defendant has reaped thousands of dollars in profits as a result of its collection of money for Plaintiff and the class members that was in excess of the amounts allowed under Illinois law. That Defendant amassed such earnings, and retains such benefit to the detriment of Plaintiff and the class members, violates the fundamental principles of justice, equity, and good conscience.

46. Defendant has been and continues to be unjustly enriched through its above-described conduct.

47. Defendant should be required to disgorge the monies it has unjustly obtained to the detriment of Plaintiffs and the class members.

WHEREFORE, Plaintiff Jeffrey Olszowka prays that judgment be entered in favor of himself and the members of Class C, on and against Defendant Village of Chicago Ridge, and award:

- A. An order that Defendant disgorge all monies unjustly enriched through its collection of amounts in excess of those allowed under 625 ILL. COMP. STAT. 5/11-416 for the benefit of Plaintiff and the members of Class C.
- B. Any other relief this Court deems just and appropriate.

#### COUNT IV

*Ultra Vires, brought by Plaintiff Jeffrey Olszowka, individually and on behalf of a class of similarly situated individuals, against Defendant the Village of Chicago Ridge*

48. Plaintiff hereby restates, realleges, and incorporates herein by reference paragraphs 1-8 as if set forth fully in this Count.

49. Plaintiff brings this claim on behalf of Class D, consisting of all persons residing in Illinois who, within five years of the filing of Plaintiff's complaint: (a) contracted with the Village of

Chicago Ridge for the purchase of an accident report; and (b) were charged an amount in excess of the statutory prescribed limit as stated in 625 ILL. COMP. STAT. 5/11-416.

50. Rule 23 of the Federal Rules of Civil Procedure is satisfied as:

- A. The class is so numerous that joinder is impracticable;
- B. There are questions of law and fact common to the class that predominate over any questions affecting only individual class members. The predominate common questions include, among things: 1) whether Defendant contracted with Plaintiff and the members of the class for the purchase of accident reports; 2) whether Defendant charged more than \$5.00 for accident reports that were investigated by the State Police; and 3) whether Defendant charged over \$20.00 for accident reports that were investigated by an accident reconstruction officer or accident reconstruction team; and 3) whether the contract was made *ultra vires* and therefore unenforceable;
- C. Plaintiff's claims are typical of those of the class members. All are based on the same facts and legal theories;
- D. Plaintiff will fairly and adequately protect the interests of the class. Plaintiff has retained counsel experienced in handling class actions and claims involving unfair practices. Neither Plaintiff nor Plaintiff's attorneys have any interests that might cause them to not vigorously pursue this action; and
- E. A class action is an appropriate and superior method for the fair and efficient adjudication of this controversy. Since the actual monetary damages suffered by Plaintiff and the class members are relatively small, the burdens of individual litigation make it effectively impossible for the class members to seek individual redress for the Defendant's violations.

51. Defendant contracted with Plaintiff and the members of Class D to sell them accident reports.

52. Pursuant to 625 ILL. COMP. STAT. 5/11-416:

*Furnishing copies – Fees. The Department of State Police may furnish copies of an Illinois State Police Traffic Accident Report that has been investigated by the State Police and shall be paid a fee of \$5 for each such copy, or in the case of an accident which was investigated by an accident reconstruction officer or accident reconstruction team, a fee of \$20 shall be paid.*

*Other State law enforcement agencies or law enforcement agencies of local authorities may furnish copies of traffic accident reports prepared by such agencies and may receive a fee not to exceed \$5 for each copy or in the case of an accident which was investigated by an accident reconstruction offer or accident reconstruction team, the State or local law enforcement agency may receive a fee not to exceed \$20 . . . .*

53. Defendant contracted to sell and in fact sold accident reports to Plaintiff and the members of Class D in an amount in excess of those permitted by 625 ILL. COMP. STAT. 5/11-416.

54. As such, Defendant did not have the ability to charge such amounts, and in fact, exceeded its powers as it was barred by 625 ILL. COMP. STAT. 5/11-416 from charging such amounts. Therefore, such contracts are ultra vires and unenforceable.

55. Defendant should be required to provide restitution to Plaintiff and the members of Class D for the amounts it unlawfully collected from them.

WHEREFORE, Plaintiff Jeffrey Olszowka prays that judgment be entered in favor of herself and the members of Class D, on and against Defendant Village of Chicago Ridge, and award:

- A. An order that Defendant provide Plaintiffs and the members of Class D for its collection of amounts in excess of those allowed under 625 ILL. COMP. STAT. 5/11-416 pursuant to contract; and
- B. Any other relief this Court deems just and appropriate.

# **EXHIBIT 2**

**Notice of Proposed Class Action Settlement in**  
***Olszowka v. Village of Chicago Ridge***  
**Northern District of Illinois, No. 07 CV 6115**

**This is to notify you of a proposed settlement in this lawsuit**

**You are not being sued**

**You may be owed money under the proposed settlement**

**Answers to frequently asked questions:**

**What is this lawsuit about?**

Jeffrey Olszowka is a citizen of Illinois. He filed this lawsuit against Defendant Village of Chicago Ridge.

Olszowka claims that Defendant violated 625 ILCS 5/11-416 by charging \$15 for police reports from the Village police department instead of the \$5 contemplated by statute. Defendant denies Olszowka's claims. However, to avoid the continued expense of litigation, the Parties have agreed to settle this litigation.

The Court has permitted Olszowka to represent all persons and entities who: (a) from January 1, 2002 through December 31, 2007; (b) were charged \$15 for a police report by the Village of Chicago Ridge. If you are one of these people or entities, you are a class member.

**Why am I receiving this notice?**

You are receiving this notice because Defendant's records show that you are a class member. This notice advises you of benefits you are entitled to receive under the proposed settlement in this case. This notice describes the lawsuit and provides a summary of the proposed settlement terms. The Court will hold a hearing on \_\_\_\_\_, at \_\_\_\_\_ .m. in Courtroom 1342, at the U.S. District Court, Northern District of Illinois, located at 219 South Dearborn Street, Chicago, Illinois, to determine whether to finally approve the proposed settlement. **You do not need to attend the hearing**, although you have the right to attend.

**What benefits do I receive from the settlement?**

During the period January 1, 2002 through December 31, 2007, Defendant charged \$15 for police reports at issue in Olszowka's complaint approximately 2,675 times. Defendants have agreed to pay up to a total of \$14,000 to settle all class members' claims, which is greater than 50% of the overcharge alleged. If the Court approves the settlement, class members who timely send in the attached claim form will be paid as follows: Class Members will receive up to \$10 per per police report obtained from the Defendant, which is the full amount of the overcharge alleged. For example, if you requested 5 accident reports, you could receive up to \$50.

Defendant has also agreed that, on a going-forward basis, it will comply with the provisions of 625 ILCS 5/11-416 and charge only the fee permitted by statute.

Counsel believes, based upon Defendant's representations regarding the number of police reports requested, the amount of the overcharge, that Defendant's payments of up to \$14,000 for the Class is fair and reasonable.

**What are the other settlement terms?**

In addition to the up to \$14,000 available to the class, Defendants are also paying (a) litigation costs, (b) class administration expenses, and (c) attorneys' fees. Class Counsel will seek court approval for an award of reasonable attorneys' fees of up to \$15,000, and the Plaintiff in this lawsuit will receive \$1,000 for his services as class representative. Defendant is paying these amounts in addition to the \$14,000 being made available to the class.

**What are my options?**

**Choice No. 1. Send in a claim form.**

**If you want to participate in the settlement and receive part of the up to \$14,000 in payments to Class Members, you must fill out the attached claim form.** If the proposed settlement is approved by the Court, you will be sent a check and you will also be releasing all claims you have against Defendant that are similar to the claims that Olszowka raised in his complaint. You will also be bound by all Court decisions in this action.

**Choice No. 2. Exclude yourself from (opt-out of) the Class.**

If you do not want to be a member of the Class, you have the right to opt out or exclude yourself by filing a written request for exclusion. If you exclude yourself from this action, you will neither share in the Class recovery nor be bound by the judgment in this matter. If you exclude yourself, you will have the right to bring an individual action on your own behalf.

If you want to exclude yourself from the Class, you must send a letter stating, I WANT TO BE EXCLUDED FROM THE SETTLEMENT CLASS IN OLSZOWKA V. VILLAGE OF CHICAGO RIDGE," that contains your name and address to:

Your request for exclusion must be postmarked by \_\_\_\_\_, 2008.

**Choice No. 3. Object to the class settlement.**

You may object to the proposed settlement if you think it is unfair, or you may object to any of its terms. The U.S. District Court, Northern District of Illinois, located at 219 South Dearborn Street, Chicago, Illinois 60603, will hold a hearing on \_\_\_\_\_, 2008 at \_\_\_\_\_m. in Courtroom 1342 to decide whether the settlement is fair and should be approved. If you wish to oppose the settlement and file written opposition, you must file your papers with the Clerk of the Court on or before \_\_\_\_\_. Your written papers must contain the specific reasons for your objection. **You must comply with these time limits or you will lose the right to be heard.** You must also mail a copy of any written opposition or statement of your intention to appear to each of the following:

Chicago, Illinois 60601

If you object and your objection is denied, you will still be part of the Settlement Class. The Settlement Hearing may be continued or adjourned by Order of the Court, without further notice.

**Choice No. 4. Do Nothing.**

If you do not respond to this notice, you will not have the right to share in the class recovery or to bring your own lawsuit against the Defendant based on the \$15 you paid Defendant for a police report, but you will not be otherwise affected.

**What if my address has changed?**

If this notice was sent to your correct address, you do not need to do anything. If the address on this notice was incorrect, please update your address on the Claim Form provided.

## PRELIMINARY APPROVAL ORDER OF THE CLASS ACTION SETTLEMENT

This matter comes before the Court on the joint request (the “Joint Motion”) of Plaintiff Jeffrey Olszowka and a class of persons similarly situated (collectively, “Plaintiff” or “Settlement Class Members”), on the one hand, and the Village of Chicago Ridge (“Defendant”), on the other, for preliminary approval of the Class Action Settlement Agreement (the “Agreement”), dated July 25, 2008. The Court has reviewed the Agreement and its attached exhibits, and the Joint Motion and its attached exhibits and, good cause appearing,

IT IS HEREBY ORDERED AS FOLLOWS:

Definitions. For the purposes of this Order, the Court adopts by reference the definitions set forth in the Definitions section and throughout the Class Action Settlement Agreement (the “Agreement”), dated July 25, 2008, which is attached to the Joint Motion as Exhibit A.

Certification of a Settlement Class. The Court hereby finds that, for settlement purposes only, all requirements for class certification under Federal Rule 23(b)(3) have been met in this case and certified the class as follows:

All persons or entities who, according to Defendant's records: (a) from January 1, 2002 through December 31, 2007; (b) were charged \$15 for a police report by the Village of Chicago Ridge.

Preliminary Approval. The Court preliminarily approves the Settlement of the Action as set forth in the Agreement and Exhibits thereto as being fair, reasonable, and adequate to the Parties. Specifically, this Court finds that: 1) the recovery of up to \$14,000 in the aggregate for Class Members' Claims, with the costs of notice and distribution being borne by Defendant is fair and reasonable; 2) payment to the Class Representative of \$1,000.00 for his role in this litigation is fair and reasonable; and 3) a separate payment to Class Counsel of fees and costs in the amount of \$15,000, which is not taken from any recovery to the Settlement Class, is fair and reasonable for the services provided by Class Counsel in this case and continuing until all questions of the Settlement Class have been answered and a Final Approval Order is entered. Defendant, after negotiating the amount of fees in this case, has agreed to pay those fees as fair and reasonable given the circumstances of this case.

If the above Settlement is not given final approval for any reason or in any way, or the Effective Date does not occur, or the Agreement is rescinded and terminated, the Parties shall be restored to their respective positions in the Action as of the approximate date prior to which the agreement-in-principle to settle the Action was reached. In such event, the terms and provisions of the Agreement shall have no further force and effect with respect to the Parties, shall be deemed to be without prejudice in any way to the position of the Parties with respect to this Action or any other action, and shall not be used in the Action or in any other proceeding for any purpose, except as provided in the Agreement or herein.

Settlement Hearing. A Settlement Hearing will be held on \_\_\_\_\_, 2008, at \_\_\_\_\_m. at which time the Court will finally determine whether the Certification of a Class for Settlement Purposes and Settlement of the Action, including Class Counsel's Attorneys' Fees Application, should be finally approved as

fair, reasonable, and adequate and whether the Judgment and Order of Dismissal with Prejudice (the “Judgment”) should be entered. The Court may adjourn or continue the Settlement Hearing without further notice to the Settlement Class.

Form and Content of Notice. The Court approves, as to form and content, for distribution to members of the Settlement Class the Notice in the form of Exhibit 2 attached to the Settlement Agreement.

Mailed Notice. No later than 30 days after the date upon which the Court enters the Preliminary Approval Order, Defendant must mail Notice by first class mail to Class Members with Accessible Contact Information and to the Attorney General of the State of Illinois, consistent with the Class Action Fairness Act. Defendant’s Counsel shall file with the Court, no later than 5 business days prior to the Settlement Hearing, an affidavit or declaration (if applicable, from the Settlement Administrator) stating that the mailings have been completed in accordance with the terms of this Preliminary Approval Order.

Best Practicable Notice. The Court finds that dissemination of the Notice in the manner described herein constitutes the best notice practicable under the circumstances to potential Settlement Class Members and complies fully with Federal Rule of Civil Procedure 23, any and all substantive and procedural due process rights guaranteed by the United States Constitution, and any other applicable law. No further notices to the class members are required.

Requests for Exclusion. Any Person may seek to be excluded from the Settlement. Any Person so excluded shall not be bound by the Settlement and shall not be entitled to any of its benefits. To be timely, a request for exclusion must be sent to Class Counsel and to Defendant’s Counsel and postmarked no later than the Opt-Out Date. To be effective, the request for exclusion must make clear that exclusion is sought by stating “I WANT TO BE EXCLUDED FROM THE SETTLEMENT CLASS IN *Olszowka v. Village of Chicago Ridge*.” The request for

exclusion must also contain the excluded Person's name and address, and the request must be signed by that Person or, if other than a natural person, by an authorized representative of the Person. No later than 5 days before the Settlement Hearing, Class Counsel shall file and serve a list of all individuals or entities who timely and effectively request exclusion.

Objections. Any Class Member who objects to the Settlement shall have a right to appear and be heard at the Settlement Hearing provided that such Person files with the Court and delivers to designated Class Counsel and Defendant's Counsel a written notice of objection no later than 14 days before the Settlement Hearing. Any Person who objects to the Settlement must file a statement of reasons as to why he or she is objecting to the settlement with the Clerk of the Court and deliver same to Class Counsel and Defendant's Counsel. Class Counsel and Defendant's Counsel may, but need not, respond to the objections, if any, by means of a memorandum of law filed and served no later than 5 days prior to the Settlement Hearing. The manner in which a notice of objection should be prepared, filed, and delivered shall be stated in detail in the Notice. Only Class Members who have filed and delivered valid and timely written notices of objection will be entitled to be heard at the Settlement Hearing, unless the Court orders otherwise. Any Class Member who does not make his, her or its objection in the manner provided shall be deemed to have waived such objection and shall forever be foreclosed from making any objection to the Settlement unless otherwise ordered by the Court.

Defendant's Denial of Liability. The Court notes that Defendant denies any liability to Plaintiff or to the Class for any matter whatsoever. Without conceding any infirmity in their defenses, and while continuing to deny all allegations of liability, Defendant considers it desirable that the Action be dismissed and that the claims against Defendant be released, on the terms set forth herein, in order to avoid further expense, dispose of burdensome and protracted

litigation and put to rest all claims which have or could have been asserted against Defendant arising from the acts, transactions, or occurrences alleged in the Action.

Extension of Deadlines. The Court may, for good cause, extend any of the deadlines set forth in this Order without further notice to the Class.

Deadline for Opt-Outs. To be legally effective, all requests for exclusion described above, must be received on or before \_\_\_\_\_, 2008.

Deadline for Objections. Class Member Objections, as described in above, must be delivered to Class Counsel and Defendant's Counsel and filed with the Court on or before \_\_\_\_\_, 2008. Objections not filed and served in a timely manner shall be deemed waived.

Deadline for Submitting Claim Forms. Class members who wish to receive their monetary share of the settlement distribution must send in a claim form, which must be received by the Settlement Administrator on or before \_\_\_\_\_, 2008.

SO ORDERED this \_\_\_\_ day of \_\_\_\_\_, 2008.

**FINAL APPROVAL ORDER OF JUDGMENT OF THE CLASS ACTION SETTLEMENT**

This matter comes before the Court on the joint request of Plaintiff and a class of persons similarly situated (collectively, "Plaintiff" or "Class Members") and Defendant for final approval of the Class Action Settlement Agreement (the "Agreement"), dated July 25, 2008.

The total number of Class Members is \_\_\_\_\_.

Notice was sent by first class mail to All Class Members at their last known mailing address using Accessible Contact Information.

A total of \_\_\_\_ Class Members requested exclusion from the Settlement.

A total of \_\_\_\_ Class Members objected to the Settlement.

A total of \_\_\_\_ Class Members timely sent in claim forms.

The Court being duly advised in the premises, IT IS HEREBY ORDERED, ADJUDGED AND DECREED AS FOLLOWS:

1. Definitions. For the purposes of this Judgment and Order of Dismissal (the "Judgment"), the Court adopts by reference the definitions set forth in the Definitions section and throughout the Class Action Settlement Agreement (the "Agreement"), dated as of July 25, 2008, attached as Exhibit A to the Parties' Motion for Preliminary Approval.

2. Notice. The Court finds that the distribution of the Notice as provided for in the Preliminary Approval Order constituted the best notice practicable under the circumstances to all Persons within the definition of the Class, and fully met the requirements of Federal Rule of Civil Procedure 23, any and all substantive and procedural due process rights guaranteed by the United States Constitution, and any other applicable law.

3. Final Approval. The Court finds that the Settlement is fair, reasonable, and adequate, and accordingly, the Court approves the Settlement and directs that the Parties implement it, as follows:

- A. The parties are directed to implement the Settlement in accordance with its terms.
- B. Except as to any individual claim of those Persons, who have timely and effectively requested exclusion from the Settlement Class, the Court hereby dismisses with prejudice the Action, all claims contained therein, and all Released Claims against Released Parties.
- C. The Parties are to bear their own costs, except as otherwise provided in the Agreement.
- D. Upon the Effective Date, the Class Representative and all Class Members, who have not timely and effectively requested exclusion from the Class, shall be deemed to have, and by operation of law shall have, fully, finally, and forever released and discharged all Released Claims against each and all of the Released Parties.

4. Injunction. The Court bars and permanently enjoins all Class Members, except those who timely and effectively requested exclusion from the Settlement, from instituting or prosecuting any action or proceeding, whether class or individual, against Defendant for liability in any way related to, arising out of, or based upon the Released Claims.

5. Defendant's Denial of Liability. The Court notes that Defendant denies any liability to Plaintiff or to the Class for any matter whatsoever. Without conceding any infirmity in their defenses, and while continuing to deny all allegations of liability, Defendant considers it desirable that the Action be dismissed and that the claims against Defendant be released, on the terms set forth herein, in order to avoid further expense, dispose of burdensome and protracted litigation and put to rest all claims which have or could have been asserted against Defendant arising from the acts, transactions, or occurrences alleged in the Action.

6. Jurisdiction. The Court finds that it has jurisdiction over the subject matter of the Action, the Class Representative, the other Class Members, and Defendant. Without affecting the finality of the Judgment, the Court reserves exclusive and continuing jurisdiction and venue with respect to the consummation, implementation, enforcement, construction, interpretation, performance, and administration of the Agreement or Judgment.

7. Attorneys' Fees. The Court awards to Class Counsel Attorneys' Fees and costs in the amount of \$15,000, based upon Class Counsel's fees computed at their 2008 hourly rates. Defendant does not contest this award.

8. Entry of Judgment. There being no just reason to delay entry of this Judgment, the Clerk of the Court is ordered to enter this Judgment forthwith.

SO ORDERED this \_\_\_\_ day of \_\_\_\_\_, 2008.
